ENVIRONMENT POLICY DOCUMENT

Preamble

The balanced existence of environment is the secured basis of life. Its conservation is an indispensable aspect of education. The preservation of every natural object is the prime duty of human. Future Technologies should emphasize the dependence between technology and nature. The Technology based product should be Eco Friendly. Proper Environment Management is essential for sustainable development and the Environment Policy is designed in tune with the United Nation's Sustainable Development Goals 2030, realizing that protection of Environment is part of the Institution at social Responsibility for the survival of humanity. This document through the policy Statement makes clear the Institution's approach to Environment protection which will be ensured through the increment greenery with plantation not only in the campus but also beyond the campus through various activities. Environment Audit which is defined by the ICC as a tool shows how any institution is performing for to achieve the aim of safeguarding the environment and natural resources" in the functioning and dissemination of Knowledge.

Besides initiatives for Environment Protection, the Environment Policy includes Energy Management, Waste Management and Water Management which are dealt with separately taking into account the importance of each, and policies and procedures have been formulated for these topics.

Policy statement

Marutraoji Ghule Patil Arts,Commerce & Science College avows to protect the Environment by maintaining a Green, Eco-friendly campus, creating an awareness among its stakeholders and will do the various environment promotional activities beyond the campus. so as to contribute to making the earth, our common home, a sure haven and a comfortable dwelling for the posterity.
