Students:

Teacher's & college evaluation was done by students at the end of the academic year. This evaluation was done on different parameters. The purpose of this evaluation was to take students feedback on the strong and weak area of the teacher's and to suggest changes or alteration in their teaching methodology. '**Suggestion Box**' were placed in prominent place in the college premise where students communicated their suggestions.

Teachers:

Regular faculty meetings and Departmental meetings are chaired by the principal in which the faculty discusses various issues related to students, extension activities and examination.

Employer:

The college has collected the feedback forms from some of the employers.

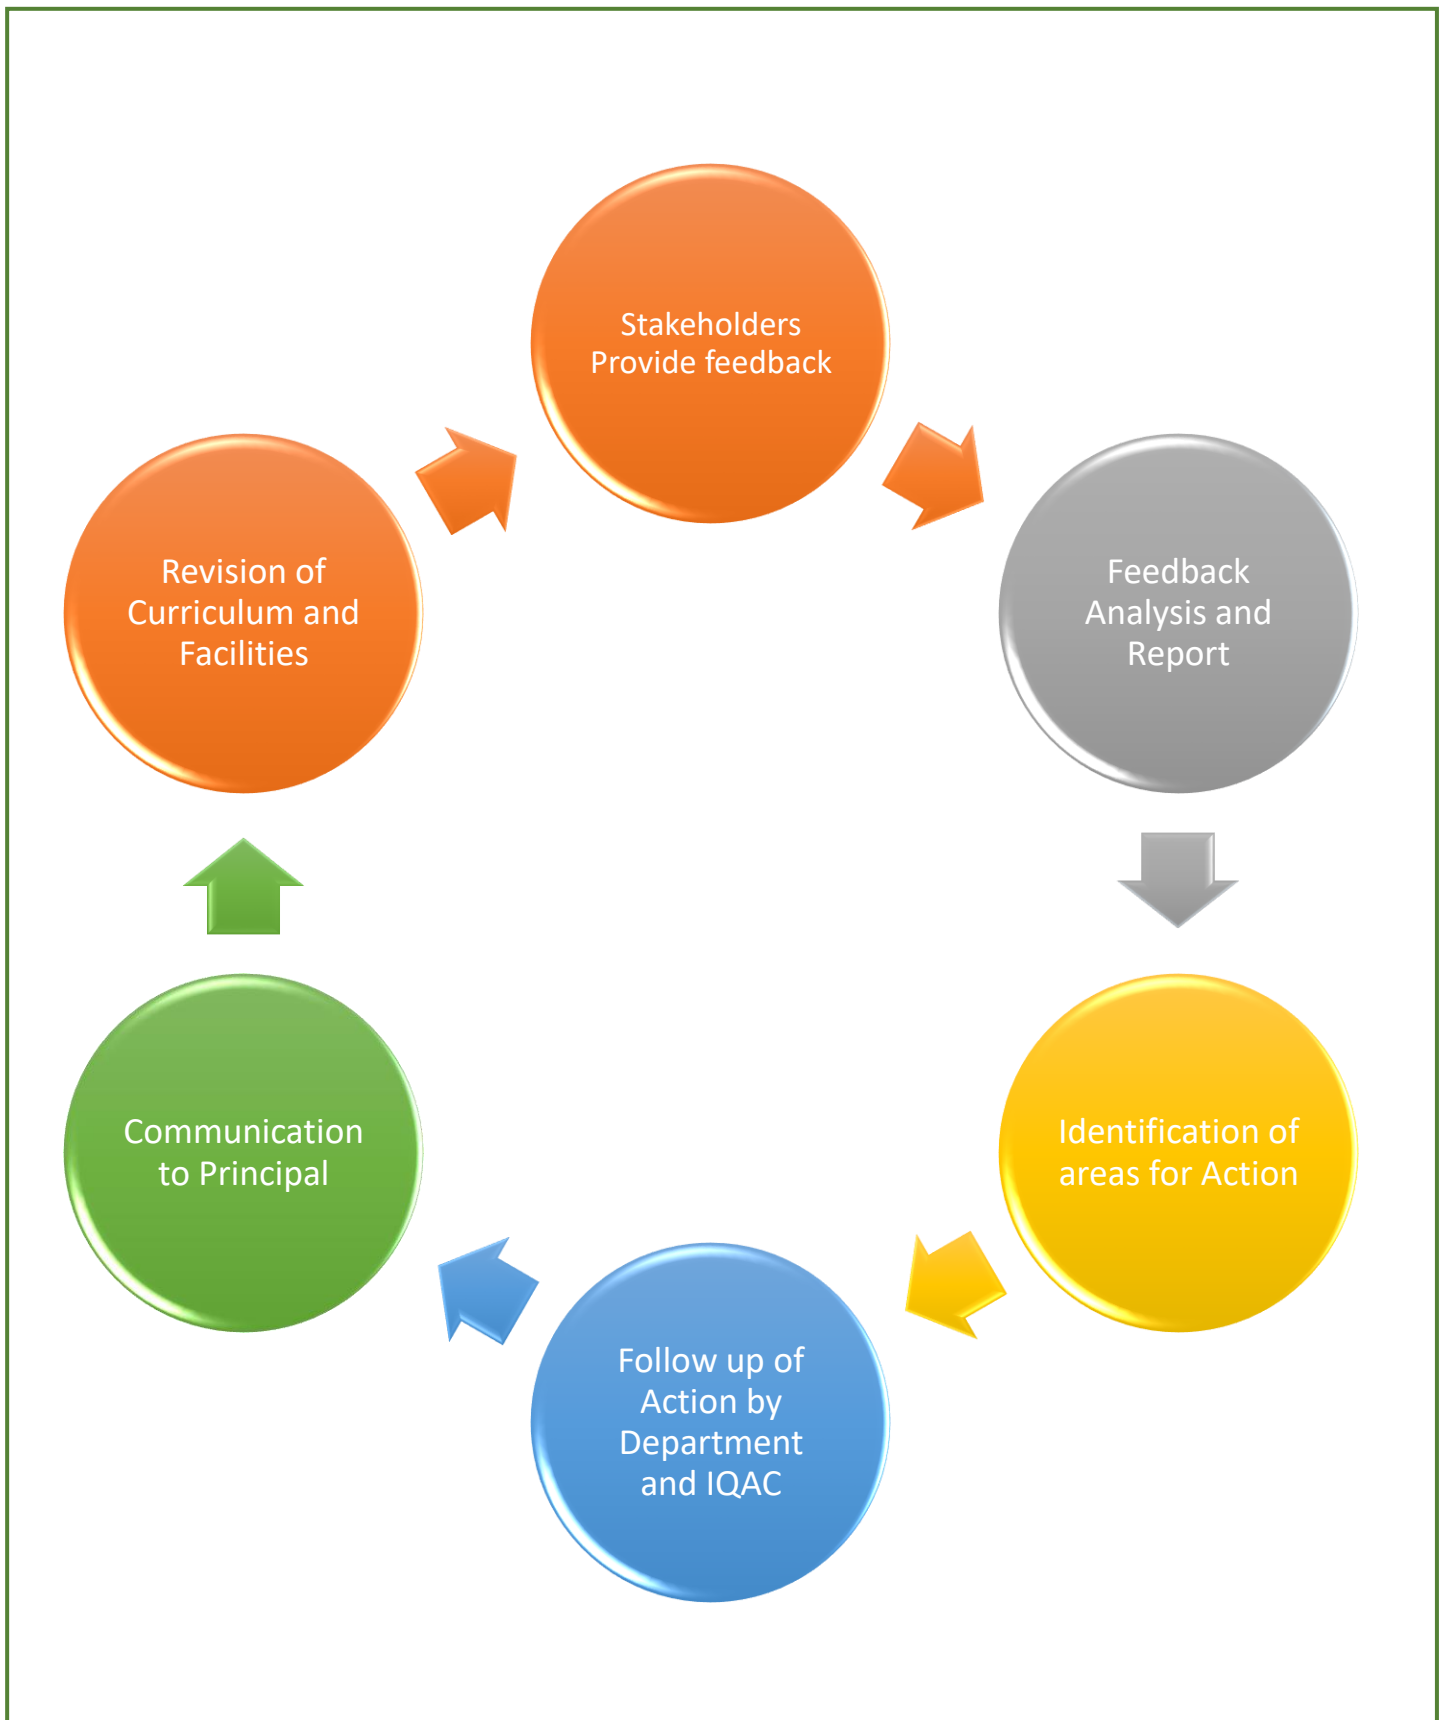

Alumni:

The college seek feedback from its alumni. Their information, guidance and suggestion help to improve the quality of education and facilities.

Parents:

Feedback from some parent was collected and analysed. Their suggestion helped in improving the overall activities of the institution.
