### 3. Automation in admissions and administration.

## 3. Administration

### A. Administration by VRIDDHI ERP Software:

College has initiated and imbibed a paperless or use of minimum paper work culture across all its services. In context of this, most of the correspondence with the authorities and apex organizations is carried out using email. College has subscription all academic departments are connected to a website ([www.mgpcollege.com](http://www.mgpcollege.com)). The college administration is functioning very smoothly and efficiently using IT integration through e-Administration at large. It is student-centric and helping in timely submissions, generation of reports, issuing certificates, etc. This is an ICT tool; the objective is to introduce total transparency and accountability leading to better e-governance within the college. Outcomes found the improved productivity and performance. The administration carried out by VRIDDHI ERP software.

### **About the Seminar**

Any country's environmental problems are affected by the level of its economic develepment, avilability of natural resources and the life style of its population. 20<sup>th</sup> century witnessed incresed environmental imbalances and serious environmental problems. With in a brief time span man with his increasing population and developing technology has emerged as the most powerful force of environmental changes on this planet.

He made spectacular economic development on one hand and interrupted the natural rytham of 'Man environment' relationship.

Eco-friendly development is a dynamic concept born out of environment debate of last quarter of 20<sup>th</sup> century. The basic prerequisite of eco-friendly sustainable human development in the evolution of development process with focus on the enhancement of the living conditions of the population as a whole with emphasis on raising the standard of living of the poor. The important issue of the 21<sup>st</sup> century is to create greater economic and social well-being without deterioration of the environment and depletion of the resources.

To fully recognize and understand these challenges and reach out the important solutions we have chosen the theme for seminar is "Eco-friendly Human Development: Problems and solutions." The aim of this seminar is to provide the platform to students, teachers, academicians, industrialists and researchers from the field of geography, Environment, Botany, Zoology, Chemistry and Social Science to discuss and share their views on Problems and sustainable solutions in this regards.

## 18. Women Empowerment Cell (WEC) Activities and Programmes for Gender Equity

### **GENDER EQUITY POLICY**

#### **Preamble**

UNICEF says gender equality "means that women and men, girls and boys, enjoy the same rights, resources, opportunities and protections. It does not require that girls and boys, or women and men, be the same, or that they be treated exactly alike."

The main goal of this policy is to ensure equal opportunities for women and men by encouraging a more gender-competent management in education.

#### **Statement**

Marutraoji Ghule Patil Arts, Commerce & Science college, rooted in the Indian culture and tradition. It is committed to uphold the principle of gender Equity as enshrined in the Indian Constitution, in its Preamble, Fundamental Rights, Fundamental Duties, respecting the dignity of the human individual and the centrality of human person in the scheme of things, without any discrimination to any gender, providing equal opportunity to all.

#### **Objectives**

To provide equal educational opportunities for men and women.

To provide equal career opportunities for women and men.

To provide equal opportunity in selection processes of recruitment, promotion and progression for man and women.

To develop processes to strengthen the presence of women in academic sector.

To raise gender equality awareness in and beyond the campus.

To provide sustainability of the culture change which will support gender equality.

#### **Roles and Responsibilities**

- Promote communications that represent unbiased representations of gender equity.
- Conduct regular awareness-raising activities among students and staff.
- In classes, faculty members could promote working together, fair representations for leadership roles, facilitate impartial participation, gender balance in team work, when possible, promote students meeting with faculty, having open and closed sessions with faculty members for the appropriate discussion on various problems, complaints and counselling during and after class hours.
- The code of conduct for students promotes gender parity at the governance level.
- Conduct gender sensitization programmes.
- Various programs organized for the personality development of women students.
- Conduct women Empowerment programs for women who needs help.

Formation of Women cell and Anti-sexual harassment committee continuously offer various programs on gender sensitization.

### **Action Plan**

- To Encourage the celebration of international women's day every year with a message for women safety and etiquette.
- The women cell / counselors should interact with students on various gender problems and personal distress, so as to develop the sensitization of students and solve the social issues.
- Ladies common room facility made available in college building.
- An awareness program on the rights of women and rules under the prevention of workplace harassment act, notified by the Government to the student community.
- Guest lectures and rangoli competition on the occasion of women's day.
- Training program on Women's Safety and Security.
