28. Properly carry out the procedures prescribed by the Admissions Committee for online admission. e.g. Checking the eligibility of the next class, checking if the documents are uploaded correctly, the subject is all filled in correctly, checking that the admission fee is paid correctly, etc.

MGPC-SOP-B: - Regarding cancellation of admission taken within a certain period of time and refund of admission fee as per rules.

1. Accepting the application of the concerned student for cancellation of student admission. Attach the online receipt of admission fee along with the application.
2. The concerned application will first take a remark from the Head of Student Branch that there is no objection to cancellation of admission.
3. The student course office will take a written remark from the concerned course accountant that the fee is not due, if the fee is due, the first fee will be paid online and only after that the accountant will be remarked. If there is any problem regarding the remaining entrance fee. It will be necessary to take the guidance of the Principal / Vice Principal.
4. In Admission will be cancelled with the permission of the Principal / Vice Principal. The first entry of cancellation will be made on incremental software. The concerned office bearer will write a note stating that the admission has been cancelled on the relevant application. After that, if the original certificate is to be given, the student will get the certificate on the admission form, signature and date will be taken. The application file should also be listed on the list. The application process will be attached to the admission application of the concerned student. Both the Admission and Certificate entries will be recorded while writing the General Register.
5. While giving the original certificate, it can be given only till the certificate does not become Eligibility (University Eligibility). If there is a period after that, the original submitted certificate cannot be given. In such a case, admission certificate of the college has to be given.
6. If the student withdraws the admission fee along with the original certificate within the prescribed time or before the eligibility (University qualification) from the admission, then a separate fee will be refunded and the application will be re-recorded along with the online fee receipt of the VRIDDHI The Principal / Vice Principal will be approved to pay the fee by writing a comment on how much fee will be refunded. After that the check will be given to the student.
7. Remarks will be required at the time when the certificate is given at any time or the library book is not yet to come.
8. The process of taking back the certificate of admission or the fee paid can be done only for a certain period of time. University rules are restricted to obtaining original certificate and refund of fees after a certain period of time.
9. The office will inform the concerned branch head about the cancellation of admission. It will be mandatory for them to inform the concerned professors.

MGPC-SOP-C: - Admission Application Office Working Procedure

- 1.** To check the application for online admission along with the required documents.
- 2.** Attach the class wise admission application to the file along with the Class list.
- 3.** Record the cancelled entry on the class list with the corresponding date.
- 4.** To register all the applications in the Chief General Register (number one). Also take note of cancelled admission. Checking the entries again after writing this register. While writing and checking the records, make sure that the student is eligible for the class. E.g. Passed all subjects in the first year for TY admission, 2nd year ATKT. Also for the second year, first year attic, etc.
- 5.** If the original certificate is yet to be received, take it raw on the entry register and merge it after receiving the certificate. Correspondence to the concerned student if the certificate is not submitted in time. Attach a copy of this letter to the file along with the admission application.
- 6.** Binding, binding, labelling, storage of all class wise admission forms in the annual process.
- 7.** VRIDDHI Software Admission Logs and Direct Admission Application Records, class List, etc.
- 8.** To conduct all the examinations for the first year admission and university eligibility and to take action related to the qualifications.
- 9.** To publish the University Eligibility List along with the University Eligibility Number on the college website for filling up the examination form. Inviting student objections, making immediate corrections accordingly.
- 10.** When some students come from other courses or from other universities, the subject equivalence, university qualification should be merged.
- 11.** Some students take admission in various categories for fee waiver without any caste certificate, in which case appropriate action should be taken in this regard.
- 12.** VRIDDHI online fee along with admission application If the invoice is less, the remaining fee should be recorded in the General Register.

MGPC-SOP-D: - Procedure for issuing certificate

- 1.** Submission of application for certificate with college no dues. Along with this, previous certificate copy, mark sheet copy, etc. to add.
- 2.** If you have yet to come to the library, take it to the Remarks No dues Farm. To take written remark that books / library are not available on the farm.
- 3.** Entrance fee due for current year, previous year, other dues, penalty, library, laboratory, etc. If there is anything left to come, you have to fill it online first. To take a written remark of the accountant of the concerned department stating that there is nothing left to be attached with the receipt.
- 4.** If the category and scholarship holder is a student, to take a remark that the scholarship is due, the scholarship is not due to the scholarship department due to non-payment of the scholarship form. Fill in the balance.
- 5.** Only after completion of all the above procedures. The application will be submitted to the Principal / Vice Principal for approval. Only after that the certificate will be written and given to the student with the signature of the Principal / Vice Principal.
- 6.** Whose certificate will be issued by checking the Aadhaar card near him with mobile number, date and signature
- 7.** On special occasions, the certificate will be given to the student's parents without any doubt. Along with Aadhaar card copy, signature of relatives, mobile number, e-mail, etc. These matters will be taken up.
- 8.** In senior college admission. Principal and Junior College Certificate All the work will be done from time to time under the authority and guidance of the Vice Principal of Junior College.

MGPC-SOP-E: - Details of recovery proceedings due to student fees

- 1.** By the end of March, all the sections have to be printed from the VRIDDHI Software and all the remaining lists have to be prepared in three sets. The accountant of the concerned department will be re-recorded on the outstanding register kept with him. Last year and the current year will appear on the combined laser page. Save the remaining list of the concerned department in the file of the concerned department.
- 2.** If the student is eligible for the scholarship but has not filled the form or has not received the scholarship due to error, the remaining three lists will be prepared. The accountants of the concerned department will record it on the outstanding register kept with them. Save the remaining list of the concerned department in the file of the concerned department.
- 3.** Distribution of tickets, filling up of examination forms, etc. The accountant of the concerned department will process both the above arrears list for recovery on various occasions.
- 4.** While issuing the certificate, the concerned office bearer will take action regarding all kinds of arrears. Proceedings will be taken for issuing the certificate only after recovering the arrears.
- 5.** Taking daily fee deposit list from VRIDDHI Software and taking deposit records in VRIDDHI Software. Checking the VRIDDHI Software records again as per the monthly VRIDDHI report. To print three copies of VRIDDHI Software monthly report section wise. Separate for one account, one increment record file and one VRIDDHI report file.
- 6.** If at the time of admission in the academic year, the student is still in the college in the previous year and there is still a long way to go, then after all the previous fees have been paid, the action will be taken for admission in the next class. The admission committee and the concerned members will take care of this matter.
- 7.** After recovery of dues, the concerned department accountant should immediately record the deposit in this regard on the dues and dues register.
- 8.** While distributing the results of the examination department, the recovery campaign should be carried out independently by planning.
- 9.** Once in a year, internal checking should be done and recovery action should be reviewed.
- 10.** Separate deposit receipts of online VRIDDHI should be taken as per the type of fees due to the student. This makes it convenient to take head wise deposit records. E.g. Last year due, current year due, examination fee, library due and penalty and other fees, certificate fee, etc. The independent movement should fill the gaps from the student. Even at the time of admission, you have to come back and the current

year's fee should be taken separately.

11. Senior UG, Junior, BBA, PG are four separate departments for collecting fees for VRIDDHI software. The office will take care that the fees of the department will be collected in that department and separate report fees will be generated head wise.

12. If you want to take collective action while giving results, certification, all the different types of appearances, the rest of the details are to be taken head wise on the list. Recovery, however, is to take various head wise receipts in the VRIDDHI software.

MGPC-SOP-F: - Planning process in the context of internal audit.

1. The process of writing the daily account of the college should be completed by the accountant of the concerned department as per the transaction at that time.
