2. Institutional Development Proposal (IDP)

2.1 The Executive Summary of the IDP.

The vision of the institution is to enlighten, empower and ennoble the learners and ensure that the students are properly facilitated for qualitative improvement. The institution is keen to see that the students studying in the institution have sufficient facilities to learn, read and play. So, the first priority is to build sufficient infrastructure like well-equipped class rooms, Computer Centre, playground, library and state of the art laboratories, college canteen, proper sanitation and drinking water facility. In our college innovative teaching methodologies are practised in every stage to empower students. An assortment of committees and cells are functioning to empower the students like Women Empowerment and Harassment prevention cell, NSS, Sports committee, Cultural committee, Students welfare committee. The alumni of the institution have been instrumental in launching various programmes in the campus. All these cells community oriented and provide opportunities for students to serve the society at large.

2.2 SWOC ANALYSIS

Janata Shikshan Prasarak Mandal's (JSPM's) Marutraoji Ghule Patil Arts, Commerce and Science college (MGPC) Ahmednagar is enriched with passionate team of human resource from diverse backgrounds, with motto "*Bahujan Hitay Bahujan Sukhay*". In the light of ethics these are the SWOC of the college.

2.2.1. Methodology Adopted For SWOC Analysis

❖ **Strengths:**

- S1 - Mother Institution Janata Shikshan Prasarak Mandal is working in the field of education since 1959.
- S2 - College location is in sub-urban area that's why it including the urban and rural students in the stream of education.
- S3 - Good governance driven by the expertise and wisdom of eminent personalities from academic and industry serving on the board of Governing Body.
- S4 - Well qualified, dedicated and devoted faculty members with backed by infrastructure.
- S5 - Well equipped Infrastructure Building include Classrooms, laboratories and computer Lab, ICT Classroom, well-equipped library and universal access to Wi-Fi facility.
- S6 - The college is located near MIDC industrial area that's why it can create more jobs and business opportunity to students.
- S7 - The college run scheme like 'National Service Scheme' and 'Earn and Learn Scheme' for overall development of students.

❖ Weaknesses:

- W1 - Limited and no scope for starting new programme and courses due to the prevailing regulations of UGC and MHRD about accreditation .
- W2 - As an unaided college Lack of funding from national and state organization for college.
- W3 - The industry-institution interface can be enhanced further.
- W4- The college could not utilize the potential to the fullest extent in terms of research and development.
- W5 - Lack of stable and qualified faculty members.
- W6 - Participation of alumni in the overall development of the college is less.
- W7 – Lack of research, innovation, incubation and publication activities.

❖ Opportunities:

- O1 - The rich experience and diversity of the institution Janta Shikshan Prasarak Mandal can help the college in moving forward in establishing programmes, facilities and resources without much delay.
- O2 - College location is near industry area that's why it can become as a role model of employability.
- O3 - The institution has chance to start a diploma and skill-based courses for students.
- O4 - The college located in residential area of low-income students so college can run a internship programme with industry.
- O5 – linkage with near by cities having industrial hubs to invite visiting / experts faculty.
- O6 – College has opportunity to starts Department of performing arts and post-graduation for all programs.
- O7- College has opportunity to established various physical facility with the help of industrial donation

❖ Challenges:

- C1 - As a unaided college Lack of funding from national and state organization for development of college.
- C3 - The institution is not being able to pursue cutting edge research due to limited resource funding from national funding agencies.
- C4 - Urgent measures are needed to review the course content in order to make them relevant to the present-day as per industry requirements.
- C5 - Poor schooling of the students and lack of basic knowledge create a problem in the progress of the curriculum of higher education.
- C6 – Challenge of providing accommodation and transportation facility for student.
- C7 - College has a competition with other comparatively well-established aided colleges of Ahmednagar city.

❖ Achievements:

- A1- The college has state of art infrastructure and campus.
- A2 - College provide assistance to employability in various sector.
- A3 – College give opportunity to pursue higher education to socio-economically deprived Students.
- A4 - The college frequently organises various social activities and awareness among the society.
- A5 - The college has a tradition of excellent results which provides various opportunities to students of rural and industrial areas.
- A6 - The college take Efforts to upliftment of the standard of living of neighbourhood community through higher education.
- A7 – College has eco-friendly campus.

2.2.2. Strategic Plan for Institutional Development Based on SWOC Analysis

- ❖ Building up on our strengths, to introduce new courses to make education accessible to more women students from rural areas and less privileged sections of the society.
- ❖ To enhance the quality of courses currently offered by making them more relevant, skill focused and responsive to the demands of the employment industry and to introduce Add on courses to improve employability of the students.
- ❖ To improve the current poor infrastructure.
- ❖ To make teaching learning process more effective by introducing smart classrooms, ICT integrated teaching and trained faculty in innovative teaching methodology.
- ❖ Improve social responsibility and awareness in the students by pushing for more collaborative interaction between agencies working with a social concern.

2.4 Action plan/Strategic plan

1. Enhancing Quality of Education:

For enhancing the quality of education imparted the institute will:

- a) Understand education system at higher institutes in India and International level and collaborate with them to reinforce its teaching and learning process and research.
- b) Deputing teaching faculty for higher education and impart training to the faculty in relevant technical expertise for strengthening their teaching skills’.
